

TELEPHONE DIRECTORY 2013

TO: PARENTS

RE: SCHOOL WIDE TELEPHONE DIRECTORY

It has been our tradition to make a preschool directory available to all SLC families that wish to participate. We would only use information with permission and only parents who give permission will receive the directory.

This directory will help with the planning of birthday parties, play dates, and possibly something fun like lunch out with other parents! If you are interested, please fill out the information below and return to Sherry by *August 16, 2013.*
