

## **FBC YOUTH TRIP AND EVENT COVENANT**

Trip/Event: \_\_\_\_\_

Dates: \_\_\_\_\_

Youth trips provide us with lots of great opportunities. We have the chance to grow in our faith and in our relationships with God and each other. In order to get the most out of each trip, it can help if we make some promises to ourselves and to each other about who we will be and how we will act as we travel together. Our trip covenant gives us an opportunity to make these promises formal. After you have read the covenant, please sign your name and have your parent sign it too, acknowledging that you understand and agree to live by it while we are on our trip together!

- We understand that there are certain things that do not belong on this trip—or anywhere else for that matter. Therefore, we will not bring drugs, alcohol, tobacco products, weapons of any kind, fireworks, or toys intended for pranks.
- We will respect and follow the instructions of our youth minister and our chaperones. We will respect the staff and will be kind and courteous to them. We will take care of our rooms and the things in our rooms.
- We will be on time for every scheduled and planned event. We will stay in groups of at least two, and make sure that chaperones know where we are and where we will be during free time. We understand that this is important for our safety during the trip.
- We will care for and be kind to one another. We will be good representatives of our church family in all that we say and do.

I have read this covenant and agree to live by it while I am on the \_\_\_\_\_ with my youth group. I understand that if at any point I violate part of this covenant, I will have to call my parents/guardians to tell them what I have done, and I may be asked to leave and return home. I am committed to keeping this covenant, and will do my best to help myself and others have a positive experience on our trip or at our event.
